

Cowboy Song

I am just a cowboy lonesome on this trail
A starry night, a campfire light
And the howling winds wail
The coyote call So I ride out to the old sundown

I am just a cowboy lonesome on the trail
Lord, I'm just thinking about a certain female
The nights we spent together riding on the range
Looking back it seems so strange

Roll me over and turn me around
Let me keep spinning till I hit the ground
Roll me over and let me go
Riding in the rodeo

I was took in Texas I did not know her name
Lord, all these southern girls they seem the same
Down below the border in a town in Mexico
I got my job busting broncs for the rodeo

Roll me over and turn me around
Let me keep spinning till I hit the ground
Roll me over and let me go
Running free with the buffalo
Here I go!

Guitar Solo

Roll me over and I'll turn around
And I'll move my fingers
Up and down
Up and down

It's ok amigo
Just let me go
Riding in the rodeo

Guitar Solo

Roll me over and turn me around
Let me keep spinning till I hit the ground
Roll me over and let me go
Riding in the rodeo

Roll me over and set me free
A cowboys life is the life for me
