

I Can't Stop Loving You

So you're leaving
In the morning
On the early train
I could say everything's alright
I could pretend and say good bye

Got your ticket
Got your suitcase
Got your leaving smile
I could say that's the way it goes
I could pretend and you won't know
That I was lying

'cause I can't stop loving you
I can't stop loving you
No, I can't stop loving you
Though I try

We took a taxi
To the station
Not a word was said
I saw you walk across the road
Maybe the last time, I don't know

Feeling humble
I heard a rumble
On the railway track
And when I hear that whistle blow
I walk away and you won't know
That I was lying

But I can't stop loving you
I can't stop loving you
No' I can't stop loving you
Though I try

I just can't stop loving you
I can't stop loving you
I just can't stop loving you
Why should I try, why should I try
I just can't stop loving you
I can't stop loving you
