

Keep on Running

Keep on runnin' Keep on hidin'
One fine day I'm gonna be the one
To make you understand Oh yeah
I'm gonna be your man

Keep on runnin' Runnin' from my arms
One fine day I'm gonna be the one
To make you understand Oh yeah
I'm gonna be your man

Hey hey hey
Everyone is talkin' about me
It make me feel so bad
Hey hey hey
Everyone is laughing at me
It make me feel so sad
Keep on runnin'

Hey hey
All right!
Hey hey

Keep on runnin' Runnin' from my arms
One fine day I'm gonna be the one
To make you understand Oh yeah
I'm gonna be your man

Hey hey hey
Everyone is talkin' about me
It make me feel so sad
Hey hey hey
Everyone is laughing at me
It make me feel so bad

So Keep on runnin' Runnin' from my arms
One fine day I'm gonna be the one
To make you understand Oh yeah
I'm gonna be your man
