

Love Me

Treat me like a fool
Treat me mean and cruel
But love me
Wring my faithful heart
Tear it all apart
Bu-ut love me (Wont you love me)

(W)Ell If a you ever go
Darling, I'll be oh so lonely
I'll be sad and blue
Crying over you, dear only (Ooh Ooh Ooh Oh)

I would beg and steal (Beg and steal)
Just to feel (Just to feel)
Your hoar hoar heart (I want your heart)
Beatin' close to mine (So close to mine)

Well, if a you ever go
Darling, I'll be oh so lonely
I'll be sad and blue
Crying over you, dear only (Ooh Ooh Ooh Oh)

I would beg and steal (He would beg and steal)
Just to feel (Yes just to feel)
Your hoar hoar heart (I want your heart)
Beatin' close to mine (So close to mine)

Well, if a you ever go,
Darling, I'll be oh so lonely
Beggin' on my knees,
All I ask is please, please love me
Oh yeah
