

She's Electric

She's electric

She's in a family full of eccentrics

She done things I never expected

And I need more time

She's got a sister

And God only knows how I've missed her

And on the palm of her hand is a blister

And I need more time

And I want you to know

I've got my mind made up now

But I need more time

And I want you to say

Do you know what I'm saying?

But I need more

'Cause I'll be you and you'll be me

There's lots and lots for us to see

There's lots and lots for us to do

She is electric, can I be electric too?

Guitar break

She's got a brother

We don't get on with one another

But I quite fancy her mother

And I think that she likes me

She's got a cousin

In fact she's got 'bout a dozen

She's got one in the oven

But it's nothing to do with me

And I want you to know

I've got my mind made up now

But I need more time

And I want you to say

Do you know what I'm saying?

But I need more

'Cause I'll be you and you'll be me

There's lots and lots for us to see

There's lots and lots for us to do

She is electric, can I be electric too?

Can I be electric too?

Can I be electric too?

Can I be electric too?
