

Smooth

Man it's a hot one
Like seven inches from the midday sun
Well I hear you whisper and the words melt everyone
But you stay so cool
My Munequita, my Spanish Harlem Mona Lisa
You're my reason for reason
The step in my groove

And if you said this life ain't good enough
I would give my world to lift you up
I could change
My life to better suit your mood
Cause you're so smooth

And it's just like the ocean under the moon
Well that's the same as the emotion that I get from you
You got the kinda lovin' that can be so smooth
Give me your heart, make it real,
Or else forget about it

I'll tell you one thing
If you would leave it'd be a crying shame
In every breath and every word
I hear your name calling me out
Out from the fire
You hear my rhythm on your radio
You feel the turning of the world
So soft and slow
Turning you round and round

And if you said this life ain't good enough
I would give my world to lift you up
I could change
My life to better suit your mood
Cause you're so smooth

And it's just like the ocean under the moon
Well that's the same as the emotion that I get from you
You got the kinda lovin' that can be so smooth
Give me your heart, make it real,
Or else forget about it

Guitar Break

And it's just like the ocean under the moon
Well that's the same as the emotion that I get from you
You got the kinda lovin' that can be so smooth
Give me your heart, make it real,
Or else forget about it
Or let's forget about it
