

Why does it always rain on me

I can't sleep tonight
Everybody's saying everything is alright
Still I can't close my eyes
I'm seeing a tunnel at the end of all of these lights
Sunny days, where have you gone?
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining I can't avoid the lightning

I can't stand myself
I'm being held up by invisible men
Still life on a shelf when
I've got my mind on something else
Sunny days, oh where have you gone
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining I can't avoid the lightning

Oh where did the blue sky go?
Oh why is it raining so?
It's so cold

I can't sleep tonight
Everybody's saying everything is alright
Still I can't close my eyes
I'm seeing a tunnel at the end of all of these lights
Sunny days, oh where have you gone?
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining I can't avoid the lightning

Oh where did the blue sky go?
Oh why is it raining so cold?
It's so cold

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining I can't avoid the lightning
Why does it always rain on me?
Why does it always rain on oh on
