

Wicked Games

The world was on fire
No one could save me but you.
Strange what desire will make foolish people do
I never dreamed that I'd meet somebody like you
An I never dreamed that I'd lose somebody like you

No, I don't want to fall in love
(This love is only gonna break your heart)
No, I don't want to fall in love
(This love is only gonna break your heart)
With you
With you
(This love is only gonna break your heart)

What a wicked game you play
To make me feel this way
What a wicked thing to do
To let me dream of you
What a wicked thing to say
You never felt this way
What a wicked thing to do
To make me dream of you
And I don't wanna fall in love
(This love is only gonna break your heart)
No I don't want to fall in love
(This love is only gonna break your heart)
With you

(Guitar Solo)

World was on fire
No one could save me but you
Strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
I never dreamed that I'd lose somebody like you

No I don't wanna fall in love
(This love is only gonna break your heart)
No I don't wanna fall in love
(This love is only gonna break your heart)
With you
(This love is only gonna break your heart)
With you
(This love is only gonna break your heart)
No I
(This love is only gonna break your heart)
(This love is only gonna break your heart)

Nobody loves no one
